Committee: Mrs L Pascoe, Mr R Pitt.

Tennis NSW in conjunction with NSW Association have teamed up to introduce UTR to the 2021 Interdistrict Competition.

A **Universal Tennis Rating** is designed to capture results from every competitive match that a person plays, whether that be in competition or tournament and provides a rating.

Each player will receive a **Universal Tennis Rating**, where every match that they play in 2021 Interdistrict Competition will count towards their Rating. This is a change from the Tournament setting, where you receive points based on how far you progress in a Tournament.

College Tennis in the U.S.A. use a player's UTR as one of their main criteria when recruiting players.

How UTR works

UTR is a rating between 1 - 16.5 that reflects your level of play. Three factors go into the rating: Your Competition, The Score, and Recent History.

Competition

Strength of opponent

Score

Based on % of games won

History

Last 30 matches within 12 months

Further information regarding UTR can be found at myutr.com
